MENINGKATKAN KEMAMPUAN BERBICARA MELALUI LAGU POPULAR PADA KELAS VII DI SMP N 1 PUNGGUR

ABSTRAK

Oleh :

NINA YUSNIA SUTIRA

Permasalahan dalam penelitian ini adalah untuk mengetahui apakah lagu populer dapat meningkatkan kemampuan berbicara siswa. Selain itu, siswa sering diabaikan untuk menguasai kemampuan ini, di sebabkan oleh beberapa masalah, seperti: Para siswa memiliki gaya bicara yang buruk, siswa tidak mampu mengungkapkan ide mereka, para siswa malu jika mereka membuat kesalahan dalam berbicara sehingga mereka takut untuk berlatih. Peneliti menggunakan media lagu dalam proses pembelajaran untuk meningkatkan kemampuan berbicara siswa, karena hamper setiap lagu selalu berisi suara penutur asli. Penelitian ini bertujuan untuk apakah sebuah lagu populer bisa meningkatkan kemampuan berbicara siswa. Oleh karena itu, peneliti menggunakan media lagu dalam proses pembelajaran.

Penelitian ini adalah Penelitian Tindakan Kelas (PTK). Dengan subjek penelitian ini adalah siswa kelas VII.3 di SMP N 1 Punggur. Kemudian untuk pengumpulan data, peneliti menggunakan: Uji (Pre-test dan Post-test), kuesioner, observasi, dan dokumentasi. Tujuan dari Pre-test dan Post-test untuk mengetahui seberapa jauh kemampuan berbicara sebelum dan sesudah diberikan pengajaran.

Nilai rata-rata pre-test dan post-test menunjukkan bahwa ada kemajuan nilai. Nilai rata-rata pada pre-test 1 = 60, dan post-test 1 = 68.5, itu lebih baik daripada kenaikan post test 1. Sementara, persentase lulus siswa pre-test 1 = 77%, dan kemudian, pada post-test 2 = 97% siswa yang mampu lulus ujian. Kegiatan dalam siklus tindakan 1 sebagai aktif dapat dibuktikan dengan siswa-siswa aktivitas di siklus 1 adalah 73% dan aktivitas siswa yang dicapai pada siklus 2 adalah 98%. Kegiatan pada siklus 2 sangat aktif. Penulis dibandingkan aktivitas siswa pada siklus 1 dan siklus 2 adalah 25%. Berdasarkan hasil data di atas, dapat disimpulkan bahwa kemampuan berbicara melalui lagu populer dapat meningkatkan siswa pada kelas VII.3 di SMP N 1 Punggur. Media ini membuat siswa tertarik dan termotivasi dalam kelas. Sehingga, mereka merasa begitu menikmati untuk melakukan tugas dan juga mereka mengerti dalam mempelajari materi.

**INCREASING SPEAKING PERFORMANCE
THROUGH POPULAR SONG AT THE SEVENTH GRADER
OF SMP N 1 PUNGGUR**

ABSTRACT

BY:

NINA YUSNIA SUTIRA

The problem of this research was to know the popular song can increase student's Speaking Performance. Moreover, students are often ignored to mastering in speaking, it caused by several problems, such as: The students have bad speaking, the students are not able express their idea, The students are often embarrassed if they make mistakes in speaking so they are afraid to practice. The researcher tried to apply popular song to increase student's Speaking Performance, because songs always contain native speaker voice. The object of this research is to know whether through popular song can increase student's Speaking Performance. Therefore, the researcher used song media in learning process.

This research was Classroom Action Research (CAR) with the subject of this research are the students At VII.3 class of SMP N 1 Punggur. Then, to collecting data, the researcher uses: Test (pre-test and post-test), Questionnaire, observation, and documentation. The purpose of pre test and post test were to know how far the Speaking performance before and after being given the treatment.

The average score of pre test and post test showed that there was progressing score. The average score at pre test 1 = 60, and in post test 1 68, 5, it was increase better than post test 1. While, the percentages of the student's pass pre test 1 = 77%, and then, at post test 2 = 97% students who were able passed the exam. The students' activities in action cycle 1 as active it can be proved with students' activity in cycle 1 was 73% and students' activities which achieved in cycle 2 was 98%. The activity in cycle 2 was very active. The writer compared the students' activity in cycle 1 and cycle 2 was 25%. Based on the result above, it can be inferred that Speaking Performance through Popular song can increase the students' at seventh grader of SMP N 1 Punggur Central Lampung. This media made the students interested and motivated in the class. So that, they felt so enjoy to doing the task and it also made them understand in studying the materials.
