Dear The Editorial Board of The Studia Islamika Journal

Hopefully, this letter finds you well. I am writing to you in connection with my intention to submit my paper, jointly with my co-researcher, Mr Dedi Wahyudi, entitled "Formalising Traditional Islamic Education: Pesantren Institution in Contemporary Indonesia" (attached).

This paper is based on our fieldwork financially supported by The Institute of Research and Social Engagement (LP2M), Institut Agama Islam Negeri Metro. This paper also has a close connection to--or the continuation of--my previous research for my PhD project at Monash in 2018, and that one part of my dissertation was published in Studia Islamika in 2019.

It is my honour to have my work published again in your journal. I highly appreciate your suggestion and feedback in this regard.

I thank you very much for kindly attention, and I look very much forward to hearing back from you.

Kind regards,  
Ervan Nurtawab
